

June 15, 2018

Dear Patients,

We would like to inform you of an exciting change to the Washington Health System (WHS) Family Medicine practices that are located in Waynesburg.

Effective late summer 2018, Washington Health System (WHS) will merge three Family Medicine practices into one. WHS Family Medicine Greene Plaza and WHS Family Medicine Franklin will merge into WHS Family Medicine- Waynesburg. The practice location remains the same - 343 East Roy Furman Highway Waynesburg, PA 15370.

Merging the three practices together gives us an opportunity to serve the Waynesburg and surrounding communities in a more efficient manner.

You will continue to receive the same great care with your established providers, Dr. Sherry Zimmerman, Dr. Lindsey Beabout, Dr. Cheryl Thompson, Tim Merglowski, PA-C, Katelyn Materkoski, CRNP, Jessica Tennant, CRNP, Emily Bryan, CRNP and Tonya Martin, PA-C. We are also recruiting for an additional physician for this practice.

Construction is currently underway to modify the building. If you are currently being seen there, we appreciate your patience as we see patients during construction.

We appreciate the trust you have placed in our providers and our Health System. Our Mission is to provide Great Patient Care to you, our valued patient.

Sincerely,

Maureen Carter Scanlon
Executive Director
Washington Physicians Group
